# DOCUMENTATION 1

The found object is several steps removed and hidden from view. The object is hidden in the shadows, underneath a garbage bin, in a low circulation alley way and away from the road and street. While there's this clean, impressive façade view from the street the object is hidden in a commonly ignored area.

# DOCUMENTATION 2

The found object is several steps removed and hidden from view. The VHS has been left behind in a place that doesn't have human circulation and abandoned quite quickly by the car that pass it.
