

TOPIC 3: BUILDING ELEMENT 2
RESTAURANT
437 NEW CHANCERY LANE / MELBOURNE / 3000
27/08/2020

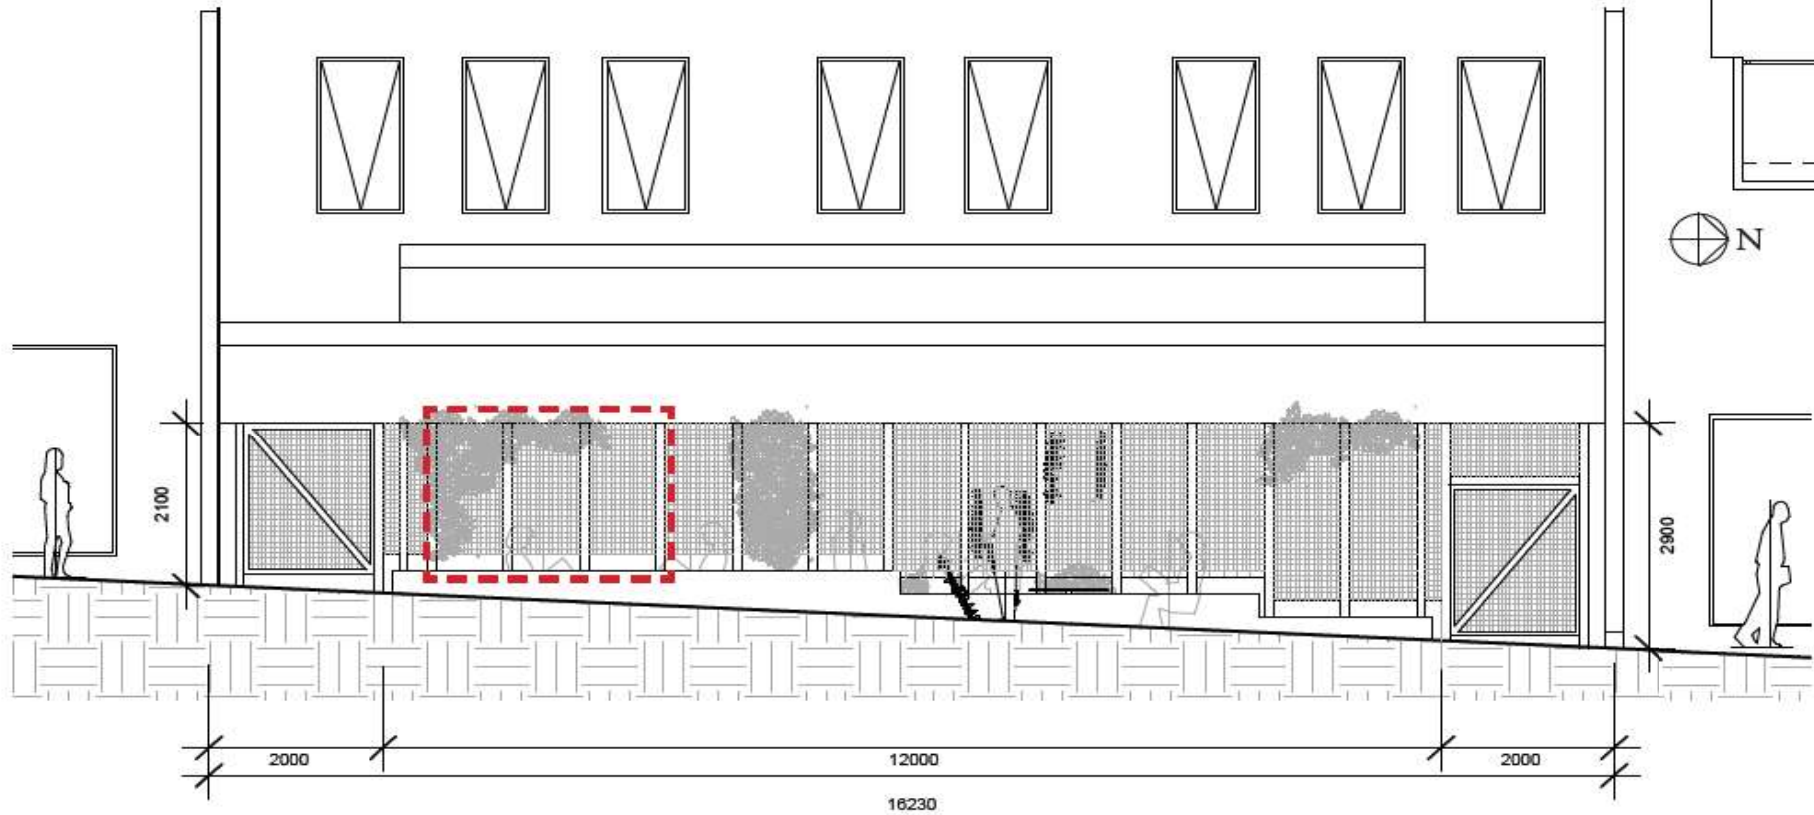

SYSTEM DESCRIPTION

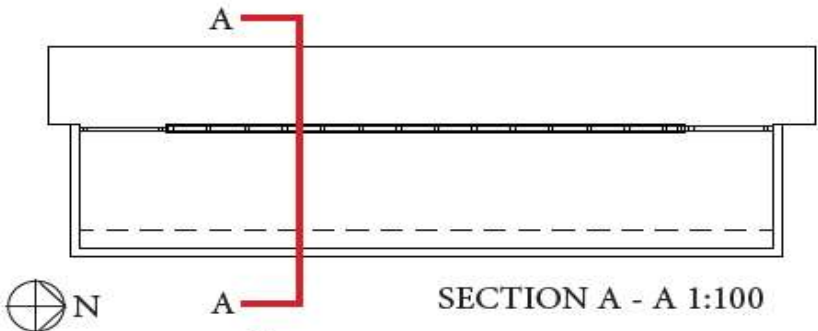

The diagram shows the obstruction of view each layer of the threshold is made up poses, thus setting back legibility of the threshold to sit in between known and unknown.

Each layout acts to divide the two spaces of a public sidewalk and a dining area of a restaurant limiting and restricting visual and interaction between both sides.
