STAIRS//RAMP
555 LONSDALE ST. MELBOURNE
07/03/2022

DUAL APPROACH

This building element, located on 555 Lonsdale street is very engaging as it consists of two access ways (ramp and stairs) leading to the same point. This features allows for people to choose what meets their need and convenience best at any given time. While the stairs simply go straight and upwards, the ramp follows a zig zag pattern. Hence, each also covering different distances and time frames to reach the same access point.
