

TOPIC  
City Hatters  
211 Flinders St, Melbourne VIC 3000  
17 AUG 2020

### SYSTEM DESCRIPTION

The threshold is the staircase to the City Hatters. When walking on the street, the stairs provide a threshold to go down to a low level. When people are walking on the road, the shop around the corner of the flinders train is not eye-catching. The stairs provide another direction and become a guide to lead people's perspective to the hat shop. When you go down in the direction of the stairs, you can see the exquisite window of the hat shop from high to low angle of view.
