

BUILDING ELEMENT 2
County Court - Victoria
250 William St, Melbourne, VIC 3000
22/3/2021

INTERACTION WITH ELEMENT

The revolving entry doors of the County Court, located on 250 William St, works as a threshold between the people who are outside and inside. People who are outside the building element are enjoying the city, catching a bus or have come out for a walk, travelling to work. But people who enter this building, are involved in a lawsuit. This door also filters out people with different moods.
