

ENTRY 3  
THE EXTENSION  
361 SWANSTON ST, MELBOURNE VIC 3000  
2022.MARCH.14

S25: AWOL

SYSTEM 3 - THE MODULAR EXTENSION

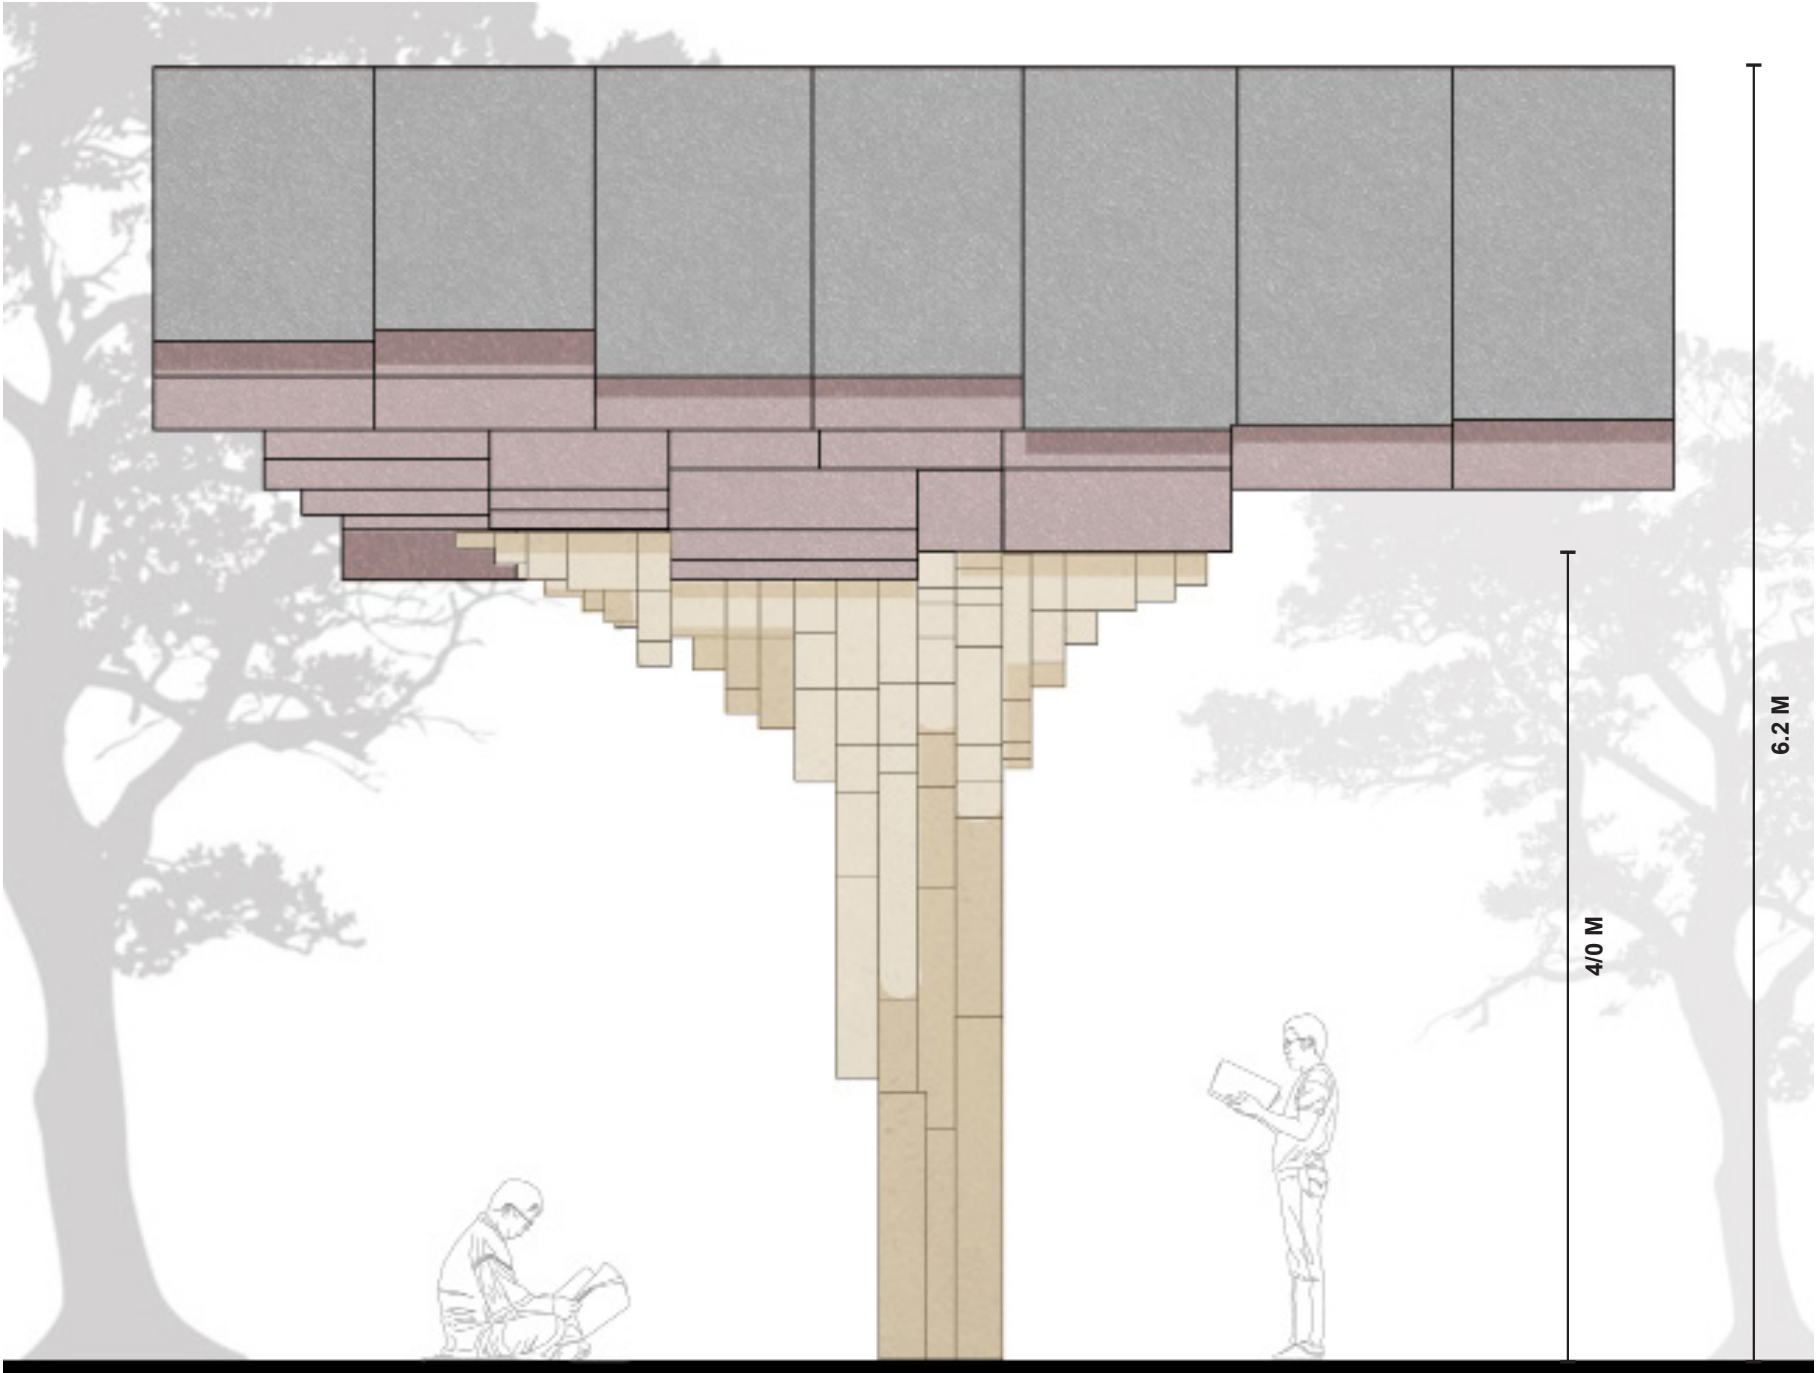

The system shares the concept about the extended language from objects. One single element contains certain types of features, there is multiple potential of its sub-objects which share the similar language with the mother one.
